\**The Arrogant Years* is a memoir about the author's life in America with her mother after their 1967 exodus from Egypt. In a return engagement, Madame Captan will share how her life paralleled the life of the author and led to a life of freedom in the U.S. Madame, who presented a book review of the author's previous book, *The Man in the White Sharkskin Suit*, was part of the 1967 exodus from Egypt.
