

The shul has many programs, but they run on **your** power, and our resources are running low.

WE NEED VOLUNTEERS WE NEED PEOPLE WE NEED YOU

On Sunday morning, July 1st (Shiv'a Asar B'Tammuz), the JEC Elmora Avenue Shul will be hosting a Volunteer Drive. See how you can pitch in and help our shul and your fellow shul members. Some of the areas are:

Kiddush, seuda shlishit, IT, annual dinner, leading davening/layning, Yamim Noraim Seating, coordinating shiv'a meals, and programming.

These functions don't happen magically. There are no miracles. Our members make them happen. Without enough volunteers, there is a real possibility that some of them won't happen!

Please come to the meeting on July 1st in the Reibel Bais Medrash at 9:45am and find out about the different things we do and how your talents can make our shul even better! Even if you already volunteer, your attendance is welcome and encouraged. Every person counts.

If you have any questions, feel free to contact Rachie Niren at 908-894-4455 (phone, text or WhatsApp) or rachieema@optonline.net.
